

## SUSTAINABLE GIVING GUIDELINES

The Coopers Brewery Foundation's annual Sustainable Giving initiative runs in conjunction with our General Giving program. Under the initiative, an eligible organisation will be selected and awarded \$50,000 over three consecutive years, providing it with a total of \$150,000. The program is designed to provide long-term certainty for the successful organisation.

The focus areas for the Sustainable Giving initiative will be on a rotational basis, as follows:

- **2022 Youth Education**
- **2023 Aged Care / Medical Research / Health Care**
- **2024 Fostering family and community support through Christian organisations**

### ELIGIBILITY CRITERIA

Funding can only be provided to organisations with Deductible Gift Recipient (DGR) Item 1 endorsement by the Australian Tax Office, as well as charity registration with the Australian Charities and Not-for-profits Commission (ACNC). Evidence of your organisation's DGR status and ACNC registration must accompany your Expression of Interest form. Refer [www.abr.business.gov.au](http://www.abr.business.gov.au) and [www.acnc.gov.au](http://www.acnc.gov.au).

Only one application per organisation/DGR can be submitted for consideration by the Board of Governors.

We are unable to accept applications from organisations with annual income exceeding \$5m.

Applications will only be considered if the project aligns with the Foundation's focus area for that year. It is desirable that projects have ongoing benefits.

The Governors of the Foundation may invite organisations to apply for funding at their discretion.

### KEY DATES

- 1<sup>st</sup> July Expressions of Interest open
- 8<sup>th</sup> August Expressions of Interest close
- Mid-Sept Shortlist identified and all applicants notified of outcome
- 1<sup>st</sup> November Closing date for detailed submissions
